TAD-169 Smoke Detector

Product introduction

- Dustproof, insect-proof, anti-white light interference design
- Power supply: DC12V-24V, AC220V
- Quiescent current: ≤2mA
- Alarm current: ≤10mA
- Working temperature: -10°C~50°C
- Alarm mode: networked output / LED indication alarm
- Alarm output: relay output
- Dimensions: diameter 104mm, height 51mm
